Your NKTA Membership will help:

- Shape a legacy of outdoor connections for our children and their children to experience North Kitsap's natural resources.
- Fund NKTA's work to connect communities and provide safe, non-motorized trails for commuters to work, schools, parks and markets.
- Aid in the preservation of open spaces through dedication of land and waterways to trails that will create and ensure habitat and habitat corridors for wildlife.
- Fund the planning, building and maintenance of the North Kitsap Water and Land Trails that the North Kitsap Trails Association has been entrusted with.
- Support Kitsap County's Community Development, Parks and Public Works departments, especially during this time of government agency cutbacks, in developing trails within Kitsap County.

As a NKTA Member you will:

- Become part of something greater as we fill a missing link in the cross-state, east-west Sound to Olympics Trail and connect the Olympic Discovery Trail to the ferries.
- Be notified of volunteer opportunities, special events and the ongoing work of the North Kitsap Trails Association.
- Help fund our public outreach and ensure the growth of NKTA.

A robust NKTA membership demonstrates the ongoing support of our community and citizens which is invaluable when pursuing grants and outside funding. The time to act is now before the land is locked up in development and the opportunities for creation of land and water trails are lost forever.
